# Magswitch MagDrill Disruptor 30 and 55

8100920 and 81001155

## MagDrill Disruptor 30

A magnetic drill that utilizes patented shallow-field magnetic technology that offers incredibly strong grip.

- Powered by our patented technology, our magnets do not require electricity.
- Can be used on 3" pipe and up, inside or outside the curve.
- The base magnets can be 'partially actuated' in order to slide the drill into precise position.
- Drill cuts holes up to 1-3/16" in diameter and 2" deep.
- Standard 3/4" Weldon spindle will take popular cutters.

Lightweight, compact and safe magnetic drill.

Swivel base can be used on flat as well as curved surfaces.

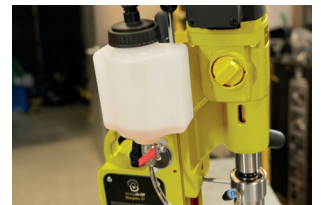

## MagDrill Disruptor 55

A perfect tool for welding, fabricating, heavy lifting, infrastructure handling.

- Since the magnets require no electric power, it will not release in the event of power failure.
- Automatically conforms to any pipe 3-1/2 or larger in diameter.
- Maintains strong grip on thin steel. Cuts holes up to 2 1/4" diameter, up to 3" deep.
- Just one drill required for flat or round surfaces without the need for expensive adapters.

High performance 2 speed gear box.

Reversible setting for Tapping.
