

CLASS B RAZORBACK™ SERIES SELF-RETRACTING LIFELINES

The Malta Dynamics Razorback™ Heavy-Duty SRL has been engineered to be the TOUGHEST SRL on the market. Crafted to meet or exceed ANSI and OSHA SRL standards including ANSI Z359.14-2014, ANSI A10.32-12, OSHA 1926 Subpart M, and OSHA 1910, the Razorback™ has been tested to stand up to the roughest of worksites. This SRL boasts an innovative new braking mechanism that is designed to significantly reduce backlash and is manufactured with durable and non-corrosive components like the galvanized steel cable, alloy steel snap hook, and hard aluminum housing shell with built-in handle.

This is the ultimate work SRL and an impressive piece of equipment to trust your safety to. Built tough with rugged capability, the Razorback™ provides outstanding performance and is the most durable SRL on the market.
