

## FULL BRIM HARD HATS

The Malta Dynamics Full Brim Hard Hat is a standard hard hat with full brim featuring a poly brow pad and four points of attachment for a more secure fit. The full brim protects against splash, glare and sun exposure while featuring a permanent under-brim glare guard. The ratchet suspension can be adjusted between hat sizes 6 1/2 and 8. There is a vertical adjustment capability that makes the hat more secure and conducive to more head sizes. (Available in Select Colors: Red, Orange, Yellow, Green, Blue, Grey, White, and Black)

### KEY FEATURES
