

Backup Camera System With Mirrorlink

REAR VIEW
SAFETY
A Safe Fleet Brand

RVS-ML700

Talk about a power dual! This system is complete with a 7" color monitor equipped with mirrorlink, enabling you to wirelessly view your mobile phone on the monitor, and a 130° CCD backup camera with 50 foot infra-red night vision. The monitor includes 2 camera inputs with an automatic trigger option. The backup camera is completely weatherproof with an IP69K rating, strong and reliable, shock resistant with a 20G vibration and 100G impact rating (highest in the industry) and comes with a full year warranty.

Note: You don't need a pre-existing WiFi or internet connection for mirrorlink to work. The monitor creates a mirrorlink WiFi network.
